Result

It was only in the case of the Treasury at Hapon & Chitalbug that the original Estu was reduced by two hands when these Districts were reconstituted - The original strength of the Hapon Treasury has since been restored. The present request is for a similar treatment as regards Chitalbug - There is now no obligation for the General & Deputy Comptroller of the Treasury to visit throughout the State - I therefore submit that the Chitalbug proposal of June 6 - 1908 may be sanctioned.

GOVERNMENT OF MYSORE.

GENERAL.

PROCEEDINGS.

Dated 6th April 1894.

No. 16928-36.
G. 3668.

Authorizing Deputy Commissioners of Districts to entertain additional temporary establishments at Taluk and District offices, at an annual cost of Rs. 11,880 on account of the inadequacy of the existing establishments.

*Proceedings of the Government of His Highness the Maharaja of Mysore,
(General),—dated 6th April 1894.*

No. 16928-36—G. 3368, DATED, BANGALORE, 6TH APRIL 1894.

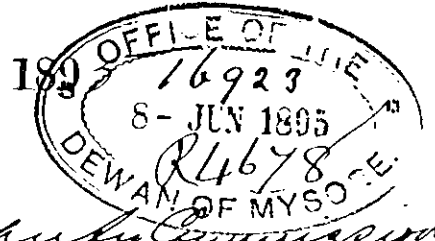

ORDER.—Deputy Commissioners have repeatedly brought to the notice of Government the inadequacy of the existing District and Taluk Establishments, and the Government are satisfied that the establishments require to be strengthened, as much additional work has been thrown on them since their formation, in consequence of the extension of cultivation and increase in the number of land-holders, the introduction of the Land Revenue Code and the rules framed thereunder, the sub-division of Abkari Farms, creation of new Municipalities, execution of a larger number of works by Revenue agency from District Funds, the introduction of the system of advances for wells, and other administrative changes involving much statistical work. But the Government are considering whether much of the work now done by the Taluk Establishments cannot be reduced by the introduction of a uniform set of Registers and Accounts and a Taluk Manual defining the duties of each official. As it will, however, be sometime before the matter can be thoroughly investigated, and a decision arrived at, Government resolve to authorize Deputy Commissioners to entertain temporary establishments in such places and offices as they think necessary at an annual cost not exceeding the sums noted below against each District. They should report at once the hands entertained under this order, and also submit a special report at the end of one year, how far their employment has relieved the Taluk and District Establishments of the pressure of work and facilitated its despatch.

Proceedings No $\frac{16928-36}{G. 3668}$ dated 6th

lishments at Taluk and District

1. Assistant Munshi for the Revenue department of the District office. Pay Rs. 10. have the honor to report as follows:-
A lump sum of Rupees 1260

1. Assistant clerk for each of the following offices:- per annum or Rupees 105 a month was allotted to this District and

viz, The Amildars' offices at Chitaldrug, Chellikere, Holalkere, and Davangere, and Deputy amildars' offices at Harihar and Hosdurg. the marginally noted hands were entertained for the reasons stated in this office. Letter No $\frac{718}{622}$ dated 21st

April 1894. An additional clerk was quite necessary for the District Treasury and his entertainment

1. Shetkar for the Siddavanhalli Range Chitaldrug Taluk. Pay. Rs. 10. has greatly relieved the pressure of

of work in the account branch.

He also attends to the criminal work of the Court of the Treasury Assistant Commissioner. His present pay is Rupees 13, but I am of opinion that it may be raised to Rupees 15 permanently.

In the Moonshee department of the District office there were only 3 hands formerly, and the work was very heavy. It was usual to lend one or two Jumardars or Revenue peoks from the Taluks to help that depart-

ment, in posting up the From and To Registers. On receipt of the

Proceedings under reply, the above practice was discontinued and an additional hand on rupees 10 was entertained. His permanent retention

is desirable. I think the pay should be raised by rupees 2. The hand entertained in the Taluks may also be sanctioned permanently.

3. I beg also to bring to the notice of Government that there were formerly (before the abolition of the district in

1882.) 5 hands attached to the

English Department as noted in the margin but in 1886 when the

District was reorganized the appoint-

ment of ⁵ Clerk on rupees 25

was not sanctioned. The particulars
 of work done in the English depart-
 -ment of this district during the
 last 5 years are shown in the state-
 -ment hereto attached. From these
 it will be seen that the work has
 gone on increasing year after year.
 Moreover the want of an English
 record keeper is very much felt.
 I therefore beg to recommend that
 pending the final revision of District
 and Taluk Establishments, an
 additional official on rupees 15 may
 be kindly sanctioned. The work of
 the Municipal and Statistical
 department being heavy, an assist-
 -ant clerk on rupees 12 was ^{entertained} ~~sanctioned~~,
 and this has greatly relieved the
 pressure of work in that department
 and may therefore be permanently
 sanctioned

Deputy Commissioner's Office

Dated, Chitaldrug, $\frac{14^{th}}{16}$ June 1897.

To

The Secretary to the
Government of Mysore
General and Revenue Departments

Sir,

With reference to Government
Proceedings no: 11906 A. Mis: 735-96 dated
30th April 1897, revising the Taluk and
District Office Establishments, I have
the honor to bring to the notice of
Government, the fact that while
adequate establishments have been
provided for all the Revenue Offices
in this District, the Treasury Department
has virtually suffered a loss of two
hands as shown below.

2. Prior to the abolition of the District
Office Establishment in 1882, the
Treasury Department consisted of

- (1) Head Accountant.
- (1) Deputy Accountant.

REVENUE DEPT. TYSORE

- (1) Ledger
 - 1 Cheque
 - 1 Cash Accountant.
 - 1 Clerk and Record-keeper
 - 1 Munshee
 - 1 Treasurer
 - 1 Gumasta
 - 2 Shroffs.
-
- 11 hands.

And when the District was re-constituted in 1886, the same establishment was sanctioned minus two hands, viz, one Munshee and one Gumasta. There are now only 9 hands in the Treasury Department.

3. The effect of the reduction of these two hands was immediately felt and after repeated representations to the Deputy Commissioner that work in the Treasury Department was too heavy to be satisfactorily performed by the curtailed number of hands, a penakdar from one of the Talukhs was lent to do the duties of a Munshee in 1888

and some relief was afforded.

4. Again, by reason of the additional work devolving on the Taluk and District Office Establishments in consequence of the amalgamation of the Mysore State with the British Postal Service in 1840 and the introduction of the Scheme for the insurance of the lives of State Officials in 1841 and of the Regulation for the grant of advances for Sagarali Kattés and Irrigation Wells in 1842, the Government were induced in their proceedings No. $\frac{16428-36}{G.3668}$ dated 6th April 1844, to authorize the Deputy Commissioners of this District to entertain temporary establishments at a cost of Rs 105 per month; and out of the hands thus entertained, a munshi on No 13 was deputed for work in the Treasury Department.
5. In 1845, the then Deputy Commissioner

Recommended to Government that the pay of the Temporary hand, lent to the Treasury Department, be raised to Rs 15 and the appointment be made permanent. Instead of acceding to this request, the Government merely sanctioned the retention of the Temporary Establishment for another year pending the contemplated revision of the Taluk and District Office Establishments (vide proceedings No: 24240-1 2-3531 dated 18th June 1895.

6. A temporary clerk was sanctioned for the Extra Assistant Commissioners who had charge of the Treasury but this was only for Criminal work which devolved on the Treasury Assistant Commissioners. Thus the hand now sanctioned, in proceedings No: 11906 A Mis: 735-96 dated 30-4-97 to the Treasury for magisterial work is

is no gain to the Treasury but only a Confirmation of the temporary arrangement hitherto in force

2. Again, in accordance with Government Proceedings No. 4125.32
R. 2. 46. 46
dated 3rd May 1897. I have given the Revenue Jurisdiction of one Taluk to the Treasury Assistant Commissioner.

8. Under these circumstances I beg strongly to recommend to Government, the entertainment of two hands on Rs 15 each, as the same is, in my humble opinion, absolutely necessary for proper and efficient discharge of work in the Treasury Department which has considerably increased of late owing to the very close scrutiny exercised in the Comptroller's Office.
